Subject: PLANNING APPLICATION APP/2017/2511 - ERECTION OF 2 AGRICULTURAL STORAGE BUILDINGS AT FORGLEN

Dear Fiona,

We spoke earlier.

Alvah and Forglen Community Council discussed the subject application at its meeting on 31 October.

It was agreed that the CC should forward the following **OBSERVATIONS** to the planning officer:

Local residents state that to their knowledge:

1. The term "agricultural building" might be misleading as there is not and has never been evidence of agricultural activities at this address by the applicants.
2. It is understood that these buildings are to be used for Equine Therapy .
3. The metal clad shed is sited immediately beneath high voltage power lines.

Regards,

Jim Bayne

Secretary

Alvah and Forglen CC
